This was posted by a clogger from another group and thought I’d share it with everyone:

Things I’ve learned from clogging ...

Use up all the counts ... plus a few more!

Embarrassment is all in your head. And so is confidence.

It feels better to be exhausted than to be bored.

When in doubt, dance more.

Inspiration comes from happy feet.

Keep smiling and people will stop watching your feet.

Laugh and joke about your mistakes. We all set a second chance to get it right!!

Wishing you love and happiness this season and into the New Year!
