## Important information about your policy

To avoid any state fines or penalties, please review the enclosed notice.

### **Please provide the following information to avoid a premium increase or cancellation of your policy**

Because your state requires vehicle photo inspections, we need some information from you in order to waive your inspection. Please send us either your bill of sale, lease agreement, MV-50 form with a window sticker, or a previous inspection report from within the last 2 years for the following vehicles:

2019 VOLVO S60

Additionally, please keep in mind that we may have to delay payments for physical damage coverage insurance claims until we receive the requested documentation or vehicle inspection.

If you have any questions, please call your agent.
