Good morning. I received your resignation, and I'm sorry it didn't work out. But I totally understand! Could you please give me an estimate of how long you will be working for the next two weeks? I will be calling in payroll this afternoon, and it will all be on this paycheck. You have 6 hours is now; will you have 4 more? Lmk. Thanks!

Okay first first week of January will be the last week

Okay first first week of January will be the last week

How many hours do you plan on working for the remainder of December? I can include them on this payroll.

A least 2 this week I work all day so I can't get there until next week Friday or Thursday

Ok, so probably 2 hours this week & 2 hours next week? I can put an extra 4 hours in this month's payroll so you'll be all set.

Okay
